ST. MARK'S PLACE, NEW YORK

BARCADE ST. MARK'S PLACE EVENT PACKAGE

BARCADE ST. MARK'S is located at 6 St. Mark's Place in the heart of New York City's East Village. The building that the bar is located in once housed the well-known New St. Mark's Baths (1979-85), as well as Mondo Kim's, an influential cult video and independent music store that closed in 2008. The block itself is one of the most iconic in the city, known for being a countercultural hub of nightlife, shopping, food and music.

Barcade features a combination of classic arcade games and craft beers handpicked from local craft breweries. Barcade has seven locations throughout the northeastern United States, with new locations planned for Detroit and Los Angeles.

Twenty-five beers are available on draft and cask at each location, and all are chosen exclusively from top American craft breweries. The selection leans towards local breweries from the northeast, including Brooklyn Brewery, Sixpoint Brewery, Cape Ann Brewing, Dogfish Head, Victory Brewing and Captain Lawrence Brewing.

Like the beer selection, the classic video games at each location are handpicked as well. Some examples of the arcade games you'll find at Barcade include: Tapper, Q*bert, Donkey Kong, Tetris, Daytona USA, Tron, Teenage Mutant Ninja Turtles, X-Men, Marvel vs. Capcom and Mortal Kombat.

The original Barcade opened in 2004 in a former metal shop at 388 Union Avenue in the Williamsburg neighborhood of Brooklyn. All locations are owned and operated by the founders and each is infused with the same gritty, authentic spirit that made the original such a hit with local artists, musicians, and key influencers.
